

Neighbor Helping Neighbor...

Although The Outreach Farm provides free beef and vegetables, there are annual expenses. Primary funding for these expenses come from generous individuals like yourself, organizations and foundations.

You can also help The Outreach Farm by volunteering your time and talents when infrastructure improvements are needed, by communicating within your business, congregation, neighborhood or organization about the good works of The Outreach Farm, and by contributing financially to help purchase additional cattle or offset farm operating costs.

All contributions are tax deductible.

Yes, I'd like to help!
